

## LP<sup>®</sup> TechShield<sup>®</sup> Radiant Barrier Sheathing

- LP TechShield Sheathing is made by laminating an aluminum sheet to our LP OSB Sheathing
- Only LP TechShield Sheathing features patented VaporVents™ to help prevent moisture buildup during and after construction
- Reduces solar heat gain to help lower inside temperatures, helping to keep the shed cooler for storing items or working inside
- Reflective surface helps enhance lighting
- Installs just like regular roof sheathing, so there are no additional labor costs
- Wood sourced through programs certified under the Sustainable Forestry Initiative<sup>®</sup>
- Backed by a 20-Year Transferable Limited Warranty so you can build with security and confidence

\*See LPCorp.com for complete warranty information.

**Cal. Prop 65 Warning:** Use of this product may result in exposure to wood dust, known to the State of California to cause cancer.
